

Three Counties Riding Club

Mark Ruddock Test Riding Demonstration on the 11th December 2016

Mark is a List 1 Judge, UKCC Level 3 Coach and accredited BD and BYRDS approved Trainer. Mark originally started his equestrian career in eventing and show jumping, and still retains a great interest in these disciplines. His dressage career has taken him to the very top of the sport, competing at Grand Prix, and he has produced and ridden a wide variety of horses.

Mark judges at all levels up to Grand Prix. He has judged both at Regional and National Championship classes. In the past few years his judging expertise has led to invitations to become a member of a number of 3 day event Ground Juries.

So why not join us in this exciting opportunity to pick a few tips on what the Judge is looking for, how to approach that centre line, or ride that 20mtr circle, focus in on accuracy and learn how to achieve higher percentages by gaining those crucial extra marks.

We will have three guinea pig riders who are competing and training from prelim to elementary. Each rider will ride through a test at their chosen level. This will be judged by Mark. He will then feedback his comments and from there he will work with the rider and their horse on the areas that he feels can be improved upon to gain those extra marks.

So why not try something new, pick up a few tips to work on over the winter months

Each session will last approximately 45 minutes with questions and answers at the end of the day, as well as during the clinic. This will be indoors.
